

CURRICULUM VITAE

BRETT E. HELFNER, MD

CONTACT

bhelfner@zprad.com
(631) 444-5544, ext 4604

PROFESSIONAL SOCIETIES

American College of Radiology 2008
Radiological Society of North America 2006
American Medical Student Association
2003-2007

ZWANGER-PESIRI
RADIOLOGY

EMPLOYMENT

Zwanger-Pesiri Radiology 7/2013 - Present
Musculoskeletal & Body Imaging

POST GRADUATE TRAINING

Musculoskeletal Imaging Fellowship (6 mos.) 7/2012-06/2013
Body Imaging Fellowship (6 mos.)
North Shore University Hospital, NY

Radiology Residency 7/2008 - 6/2008
North Shore University Hospital, NY
Operations committee Resident Representative 2009-2010
Webmaster for Radiology Residency Website 2009

House Officer 7/2007-6/2008
University of Nebraska Medical Center,
Department of Internal Medicine

EDUCATION

Doctor of Medicine 7/2003-6/2007
Tufts University School of Medicine
Boston, MA

Bachelor of Science 8/1999-5/2003
(B.A. in Biochemistry, B.A. in Mathematics)
Indiana University, Bloomington, IN

RESEARCH

Exhibit: "Plain Film Interpretation of Cardiac Diseases: A Lost Art" 12/2010
Preceptors: Rakesh Shah, M.D., Jesse Chusid, M.D.
Radiological Society of North America Annual Meeting

Exhibit: "Lumbar Discography" 5/2010
Preceptor: Daniel Walz, MD
American society of Neuroradiology Annual Meeting

Presentation: "The Acetabular Labrum" 12/2009
Preceptor: Daniel Walz, MD
Radiological Society of North America Annual Meeting

Case: Dural Plasmacytoma 12/2009
Preceptor: Rona Woldenberg, M.D.
Case In Point

Research Assistant 7/2006-10/2006
Radiology Department at Lahey Clinic
Burlington, MA
Preceptor: Francis J. Scholz, M.D.
Chart/Case review for investigating the CT detection of malabsorptive states.
Created and managed patient database

RESEARCH (cont'd)

Undergraduate Research Assistant 5/2002-05/2003

Indiana University, Bloomington, IN

Preceptor: Martin J. Stone, Ph.D.

Investigated the expression and structure of the CCR5 transmembrane protein

PUBLICATIONS & EXHIBITS

Exhibit: "Plain Film Interpretation of Cardiac Diseases: A Lost Art" 12/2010

Preceptors: Rakesh Shah, M.D., Jesse Chusid, M.D.

Radiological Society of North America Annual Meeting

Exhibit: "Lumbar Discography" 5/2010

Preceptor: Daniel Walz, MD

American society of Neuroradiology Annual Meeting

Presentation: "The Acetabular Labrum" 12/2009

Preceptor: Daniel Walz, MD

Radiological Society of North America Annual Meeting

HONORS & AWARDS

RSNA Certificate of Merit 12/2010

In recognition of Educational Exhibit excellence for
"Plain Film Interpretation of Cardiac Diseases: A Lost Art"

Clinical honors in Medicine and Psychiatry 1/2006, 05/2006

Preclinical honors in Microbiology 1/2005

Indiana University Wells Scholar 8/1999-5/2003

(1 of 85 /36,000 students) Full Academic Scholarship

Recipient of the Cora B. Hennel Memorial Scholarship 5/2002

For demonstrated high ability in mathematics

Golden Key National Honor Society 5/2000-5/2003

National Society of Collegiate Scholars 5/2000-5/2003
